CALL FOR ABSTRACTS

Feeling inspired by the physiological scientific and educational content from FAOPS 2023 and becoming a presenter at FAOPS 2023! We seek thought leaders in providing scientific presentations, education exhibits, and quality improvement reports. Mark your calendars for the key dates.

YOUNG INVESTIGATOR TRAVEL GRANTS

FAOPS2023 has a commitment to diversity and inclusion and welcomes undergraduates, graduates and postdocs from all geographic areas and backgrounds to apply for a 2023 Young Investigator Travel Grants to assist with their travel expenses for FAOPS2023 meeting.

POSTER PRESENTATION AWARD

Undergraduate, graduate and postdoctoral attendees are eligible to apply. Those who want to be considered as awardees can apply for poster presentation award in the abstract submission process.
